

Poster Guidelines

The official language of the DSMIE-2023 is English.

The Poster Session is scheduled for June 7, 2023, and will be organized in the following format. The authors must send the presentations that will be published online with an open-access to all participants. Any questions and(or) comments could be addressed to the participants directly or DSMIE Team with further resending to the participants.

SPECIFIC REQUIREMENTS

The recommended file type for presentations is PowerPoint (*.pptx).

The presentation files should be sent to the Organizing Committee (dsmie@teset.sumdu.edu.ua) no later than **May 22, 2023**.

We highly recommend preparing a presentation in the structure mentioned below, and kindly do not deviate from the format and the maximum number of slides:

- Title Slide [1 slide];
- 1 Introduction and Major Challenges [1 slide];
- 2 Aim and Research Tasks [1 slide];
- 3 Research Methodology [up to 2 slides];
- 4 Results [up to 2 slides];
- 5 Conclusions [1 slide];
- Acknowledgment [1 slide];
- Thank you & Contacts [1 slide].

The template of the presentation can be downloaded via the link <https://dsmie.sumdu.edu.ua/calls/presentation-guidelines.html>.
